Item	Funding Body	Grant Type	Description	Duration	Amount	Website	Eligibility	Comments
1	STFC	Example of funding available:				http://www.stfc.ac.uk	<ul><li>- Academic</li><li>- Fellowship</li><li>- Senior post-doctoral</li></ul>	Other options available
a		Challenge Led Applied Systems Program (CLASP)	Support application and commercialisation in key challenge areas: Energy, environment, healthcare and security.			http://www.stfc.ac.uk/711.aspx		
b		Global Challenge Schemes	Provide funding to address challenges in energy, environment, healthcare and security, supporting: - Proof of concept - Apply for more funding - To complement other STFC funding Innovation Partnership / knowledge transfer. Aims at bringing together researchers, as such might require "partners" (Research Organisation, Industry).			http://www.stfc.ac.uk/1833.aspx		
С		Follow-on-Funding	<ul> <li>Undertaking further scientific and technical development of an idea.</li> <li>Improving an intellectual property (IP) position.</li> <li>Gaining further information about the market for the new products or process.</li> <li>Identifying potential licensees or opportunities for joint ventures.</li> </ul>	12 months	£110k	http://www.stfc.ac.uk/1474.aspx		
d		Mini-IPS (Innovations Partnership Scheme)	Transfer technology to the marketplace.	<3 years	£150k	http://www.stfc.ac.uk/712.aspx		
2	EPSRC	Example of funding available:						Other options available
a		Platform Grant	For feasibility study.			http://www.epsrc.ac.uk/funding/routes/capacity/platform/Pages/grants.aspx	Research group, internationally renowned	
b		Fellowship - Physical Sciences	Early career award.			•	PhD or equivalent research experience	
С		Fellowship - Energy	Postdoc/Early career award.				PhD or equivalent research experience	
3	Royal Society	Example of funding available:						Other options available
a		Brian Mercer Fund	To investigate feasibility of commercialising research.	12 months	£30k	emes/brain-mercer-feasibility/		Development grant (not research) - develop to commercial level. Requires lead applicant (postdoc or lecturer). Does not cover staff costs.
b		Paul Instrument Fund	Design and construct novel instrument to measure phenomena.	1-3 years	£75k	http://royalsociety.org/grants/sch emes/paul-instrument/	- PhD	Development grant (not research) - to develop instrument. Requires lead applicant (postdoc or lecturer). Only 30% of award may be staff costs.

Item	Funding Body	Grant Type	Description	Duration	Amount	Website	Eligibility	Comments
С		Industry Fellowship	For joint collaboration with industry knowledge transfer.			emes/industry-fellowship/	<ul> <li>PhD or be of equivalent standing in their profession.</li> <li>hold post at university, organisation or industry.</li> </ul>	Would require industrial partner and position
d		University Research Fellowship Fund	For early stage researchers (Academic)	5 years	Various	emes/university-research/	<ul><li>PhD.</li><li>3-8 years experience since PhD.</li><li>Not hold permanent post.</li></ul>	Experienced postdoctoral researchers.
4	Technology Strategy Board	Example of funding available:				https://www.innovateuk.org	ТВС	Other options available
a		Feasibility Studies	Single company or collaborative R&D. To investigate the technical feasibility of a new idea.			https://www.innovateuk.org/fund ing-support	ТВС	
b		Collaborative R&D	Business & Researchers on general innovation.			https://www.innovateuk.org/funding-support	TBC	
С		Technology-inspired innovation - Electronics, photonics and sensors	Collaborative project.	1-2years	£500k	https://www.innovateuk.org/competition-display-page/-/asset_publisher/RqEt2AKmEBhi/content/technology-inspired-innovation-august-2013-electronics-photonics-and-sensors?p_p_auth=b9iuZXqv	TBC	
	European Research Council (ERC)	Example of funding available:				http://erc.europa.eu		Other options available
		Starting Grants	For young researchers.	5 years	€1.5m	http://erc.europa.eu/starting- grants	- PhD completed 2-7years	Project fits remit. Not eligible as Principal Researcher, possible as team member.
6	Marie Currie							
		Various				http://ec.europa.eu/research/mar iecurieactions/about- mca/actions/index_en.htm	Requires either: - international placement institution to apply.	- Preference to non-UK applications.
7	Wellcome Trust	Various	Funding for projects which address unfulfilled medical needs or is an enabling tool in healthcare.			http://www.wellcome.ac.uk		Project may not be applicable.
8	The Leverhulme Trust	Example of funding available:				http://www.leverhulme.ac.uk		Other options available
а		Early Career Fellowship	Early Career Fellowships aim to provide career development opportunities for those who are at a relatively early stage of their academic careers but with a proven record of research. It is anticipated that a Fellowship will lead to a more permanent academic position.	3 year	£23k wage	http://www.leverhulme.ac.uk/funding/ECF/ECF.cfm	Allows for PhD submitting application, but need to have submitted Thesis.	Need to have submitted Thesis before awarded.
